MAJOR PROGRAMS

HUNGER PROJECTS

Hunger Projects are fun, high-energy and hands-on meal packaging events that empower volunteers to make a tangible difference in the fight against hunger. With music booming, teams work together to package delicious meals for the millions of people struggling with food insecurity across the world.

INTERNATIONAL DISTRIBUTION AND CRISIS RELIEF PROGRAMS

INTERNATIONAL DISTRIBUTION

To maximize the impact of food distribution, we combine our efforts with strategic community engagement efforts. This focus helps to develop strategies that lead those in countries that suffer from national disasters, extreme poverty, and political conflicts toward self-sustainability.

DISASTER RELIEF

When natural disasters occur, U.S. Hunger facilitates communities joining together to rebuild and show up in immediate response for those who need it most. Each disaster relief Full Cart® package includes food items that can sustain people without access to basic necessities that we often take for granted.
